

## **Private Lessons for Beginning Guitar & Bass (All Ages Welcome!)**

Playing guitar is a great source of relaxation and self-discovery that can enhance your life on many levels, ranging from increasing self esteem to having more fun!

We start by learning the songs you want to learn!  
Each lesson is tailored to you and what you'd like to learn and accomplish.

### **You will learn:**

- all the basic concepts of guitar  
(or bass guitar)
- chords and songs that apply to many different styles of music
  - rhythm and strumming techniques  
(and fingerpicking) scales, theory, and more!

Private Lessons are \$45 for a 45 minute lesson or \$55 for an hour.  
Groups of 2 are \$80 an hour, groups of 3 are \$90 an hour.  
Alternative configurations are also available, please ask for what you'd like.

*Lessons are given at:*
